

# RxSimpleShare

Now Universal HealthShare Members can  
**Share Prescription Drug Costs**

**For 90 of the top 100 most commonly prescribed medications!**

## \$5 Co-share per Prescription

**100's of prescription drugs are sharable!**

With RxSimpleShare, members can share costs of medications to treat acute and chronic conditions such as infections, pain, high cholesterol, and high blood pressure. Vaccines are included, too! Your co-share of no more than \$5 per prescription will provide up to a 30-day supply of medication.

## Get a Value of Up to \$500 per Month

**UHS shares up to \$500 per member, per month, for the cost of eligible medications purchased through RxSimpleShare.**

After your \$5 co-share, UHS shares the rest of your prescription drug cost for every eligible drug. Eligible drugs are those included in the UHS formulary, a list of drugs that are sharable with RxSimpleShare. You can see the formulary of eligible drugs here: <http://FindRx.UniversalHealthFellowship.org>.

**All for Just \$25  
per Member,  
per Month**
